**LABOR SCARCITY CRY
- IGNORES U. S. REPORT**

ph. 3-2. Aug. 12—In common conditions in the Coal Trade Union demand "labor is growing more and that aliens are leaving" and that "their places are filled because there are no them."

At these assertions may be statements in a letter to George Huddleston, of Alabama, Director General of the United States employment survey, answering a query of July 12. The federal official declared that the "armistice was the cause of miners' hardship."

Employment has been "keely" Ohio, Indiana, Illinois and western districts. Unemployment is certain in Ohio, Indiana and Ohio is poor.
